

INVITATION

XX. Itinerant Conference of the Hungarian Psychiatric Association Including International Meetings

THE FUTURE OF PSYCHIATRY – “Travelling through Time and Space”

25-28 May, 2016, Budapest, Hungary
Budapest Congress Center

Dear Colleagues,

We would hereby like to remind you that the Hungarian Psychiatric Association (HPA) is organizing its annual conference with international professional events (EPA symposia, Danube Symposia).

The conference will be held in Budapest at the Budapest Congress Center between the 25th and 28th of May, 2016.

We hope that we will be able to welcome you among our guests as participants or even lecturers.

You are welcome to take part in the international programs.

Join us and enjoy excellent lecturers present on interesting topics!

Conference Venue

The Budapest Congress Center (BCC) is the number one conference centre in Hungary. Situated in a picturesque chestnut park, the BCC can be found on the Buda side of the capital, close to the Southern Railway Station, the M1/M7 Motorways, and MOM Shopping Center.

The conference and the exhibition will be organized in the Center's conference rooms.

The BCC is linked to the Novotel Budapest City Hotel by an internal corridor.

Accommodation & Facultative programs

Accommodation within Budapest and attractive facultative programs (from standard sightseeing to wellness or ruin pubs) specifically for conference delegates is available to book as part of the registration process. For further details please visit the conference website

Budapest, Hungary

The capital of Hungary with a population of two million is bisected by the mighty flow of the Danube with hills and valleys on the Buda side and the flat, low-lying Pest on the other. Often described as the "Little Paris of Central- Europe", Budapest is famous not only for the monuments reflecting its 1,000 year-old culture, but also for the historic relics of those who settled here.
